PETITION FOR COLOR DRAWINGS  
UNDER 37 C.F.R. 1.84(a)(2)

Applicant hereby requests that the following color graphs be admitted in color. Applicant submits that color graphs currently on file were created in 2004 on antiquated laboratory equipment for which software and original data files are no longer available. Therefore, color graphs are the only available medium for illustrating the claimed invention as transfer to black and white results in the loss of data. Enclosed is our check for \$130 in payment of the required fee for color drawings under 37 C.F.R. 1.17 (h), three (3) sets of the color drawings. Applicant submits that an amendment to the specification has been concurrently filed with the paragraph required by 37 C.F.R. 1.84(a)(2)(iii) (copy enclosed).

Respectfully submitted,
